Update your bathroom with new accessories by Eva, available at Bed Bath & Beyond and plumbing supply stores that sell Moen products. Handout --- Newport News Daily Press/MCT Make your holiday decor sparkle with poinsettia- or star-shaped floating lights in your punch bowl or around your fireplace mantle.

The wireless, battery-powered lights feature bright LED lights that use little energy. The poinsettias create four different lighting programs to illuminate your setting. The stars, equipped with a one-hour automatic

shutoff, shimmer in shades of red and green. \$14.99 for three-piece set of either design. www.game-group.com or call toll free 1-888-382-5988. They are also available at www.toysplash.com, www.become.com and www.poolsaz.com
