- Begin by filling a sheer organza bag with bath salt.
- **To make the bow for the bath salt bag.** Cut a 24” piece of Bowdabra Bow Wire and fold it in half. Lay it into the Mini Bowdabra. You’ll have a loop at one end and two loose pieces at the opposite end.
- Lay sprays of ribbon all different colors and sizes into the Mini Bowdabra.
- Lay your ribbon into the Mini Bowdabra. Decide how big you want your loops. To make your first loop, fold the ribbon and press into the Mini Bowdabra.
- Continue folding the ribbon back and forth until you have created as many loops as you desire.
- Scrunch ribbon down with the Mini Bowdabra Wand.
- While the bow is still in the Mini Bowdabra, thread the two loose ends of the Bowdabra Bow Wire through the loop at the other end.
- Pull the Bowdabra Bow Wire tightly while the bow is still in the Mini Bowdabra.
- Gently pull the bow out of the Mini Bowdabra. Separate the two loose ends of the Bowdabra Bow Wire and bring them around to the back of the bow. To tie off the bow, pinch the Bowdabra Bow Wire securely against the bow. Twist the bow 4 to 6 times in a clockwise direction.
- Fluff your bow and attach the it to the bath salt bag.
- **Helpful Hint: Remove bow before using. Attach the handles of the sheer bag over the water spout and let water run over the bag.**
